Kim, I really love a terrific friend this year, Kim. The
 best anyone could have! You were always there, to con-
 gratulate me in my happy times and especially to con-
 fort me in my sad times. You a real sucker and
 I'm sure don't deserve to have you as a friend because I'm
 always bitchin' at ya (even though you're such an asshole &
 don't take it!!) I really want to say I'm sorry for
 those times when I took my bad moods out on you.
 This summer we have to keep in touch
 constantly, and if you don't call me at
 least once, every day, that's a
 pretty big deal.
 I'm really proud of us!!
 I just got back from the Sports Banquet and it sure
 was neat - us both getting our rivalry letters together. (awww, how

As morning yields to evening, as days turn into years, as Kindergarten gives way to High School, and as the seasons change, time often slips by unnoticed. Realizing this, we, the 1981 Footprints Staff, have chosen Ecclesiastes 3:1 as our theme. While living every moment of our lives for Christ, we are aware that "for everything there is a season, and a time for every matter under heaven." There is a time for ...

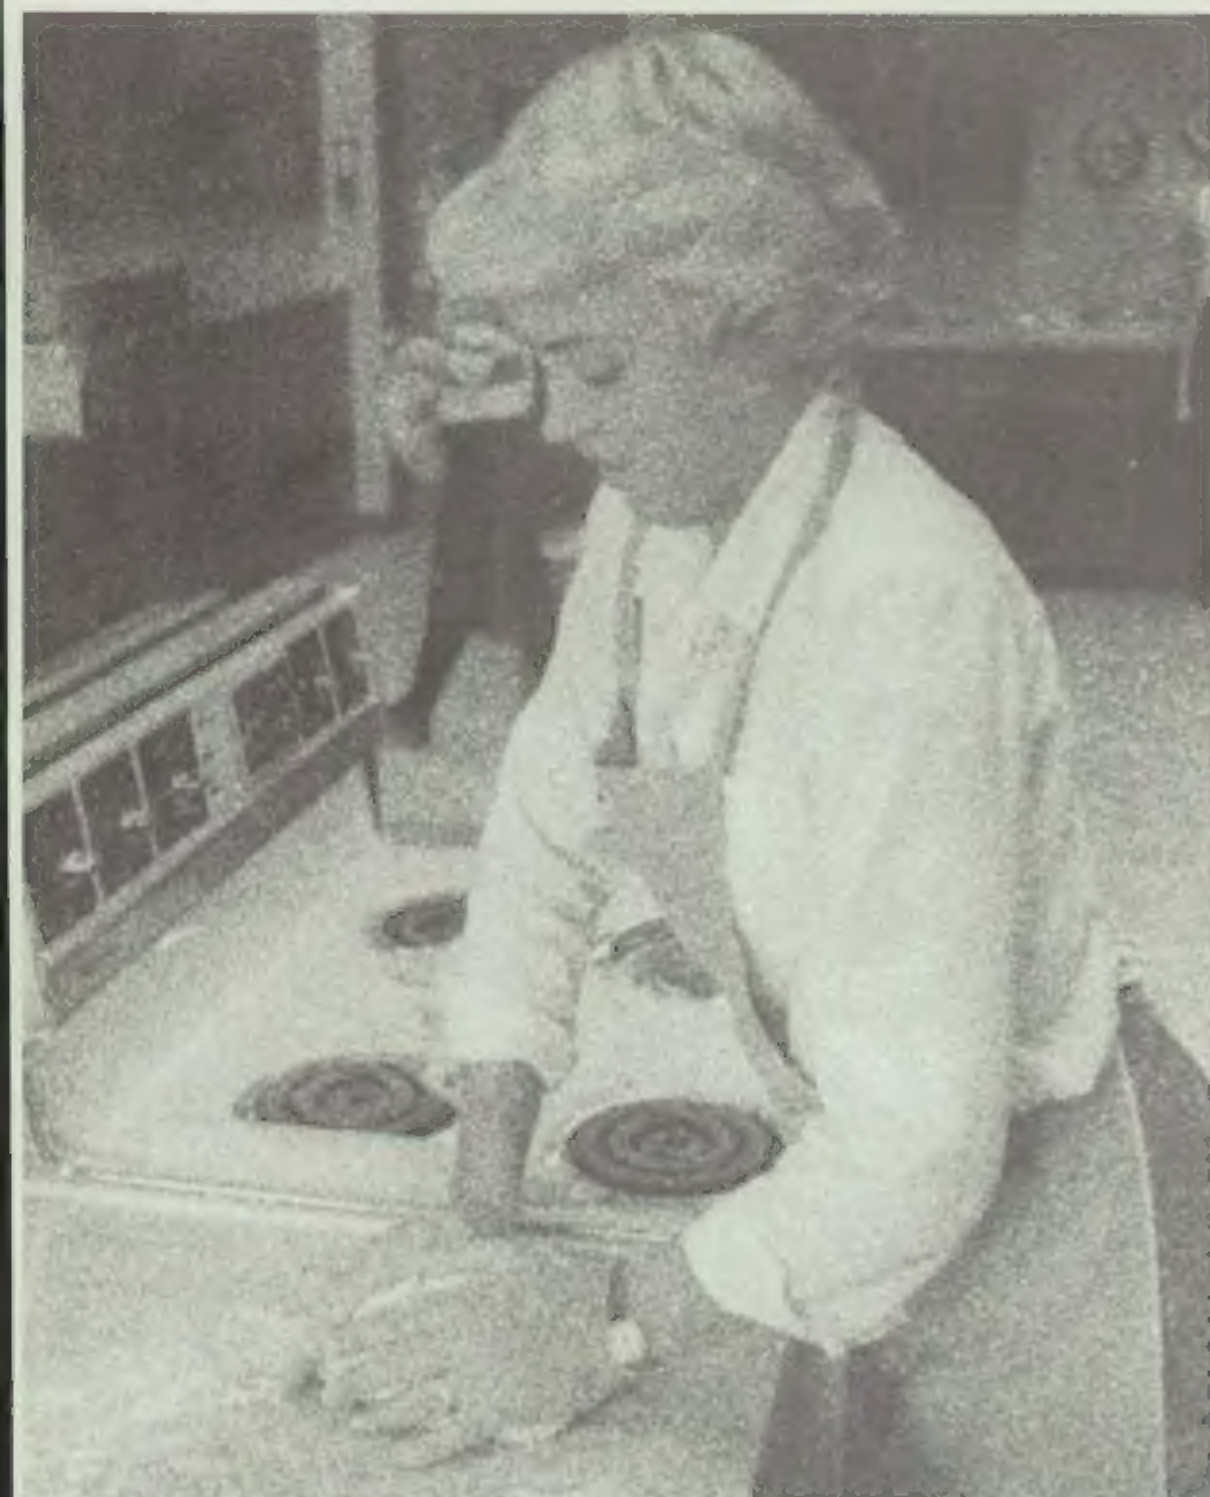

Instruction

... but a wise man listens to advice.

Proverbs 12:15b

But one thing I do, forgetting what lies behind and straining forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus.

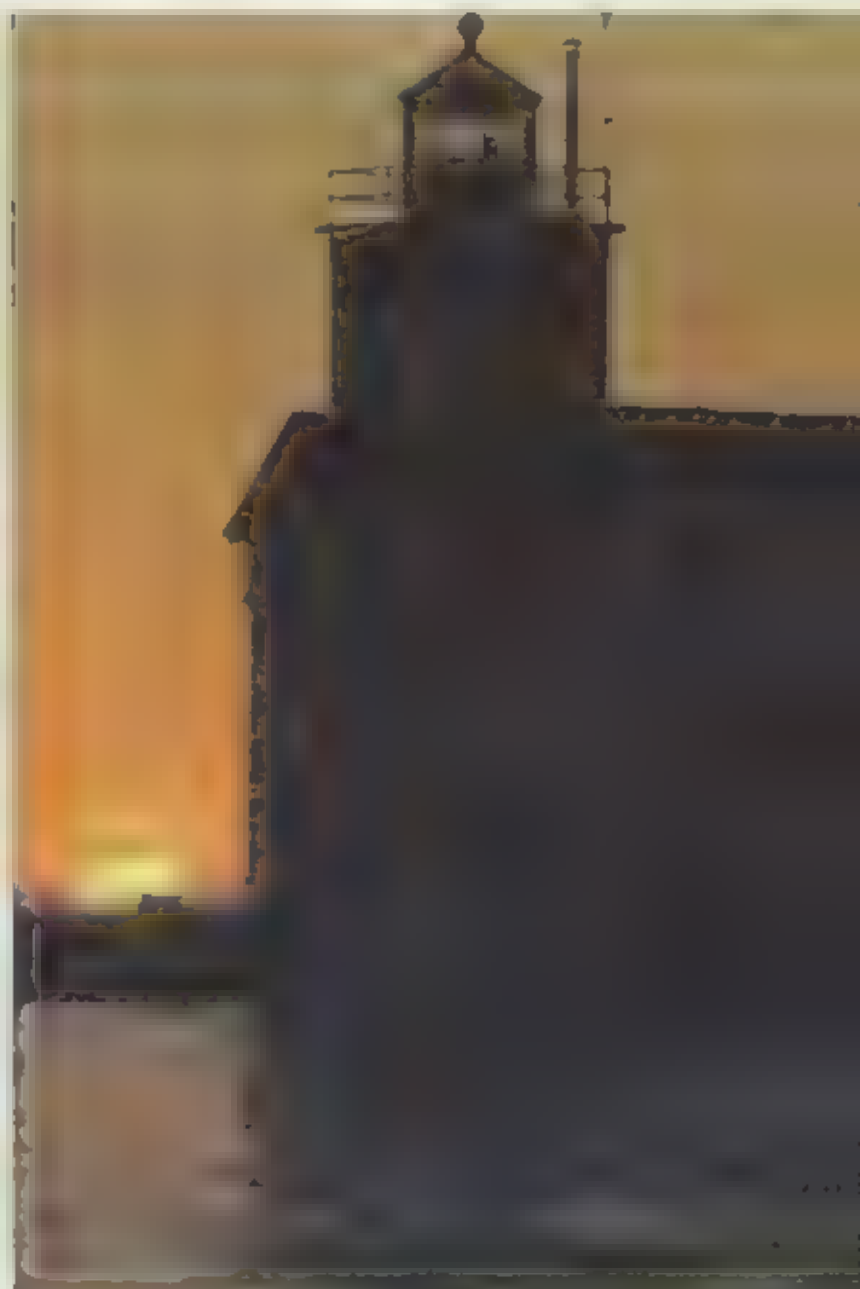

Philippians 3: 13b, 14

Unity

*If one member suffers, all
suffer together; if one member is
honored, all rejoice together.*

Dedication

As in past years, the Footprints staff has the honor of dedicating their yearbook to a teacher, who, through Christian training, has influenced the lives of many students, challenging them to a life of better service for Christ.

He has been at Hoiland Christian High School for the past 32 years teaching American History and Humanities. He coached the varsity basketball team and also devoted many hours to making our 1980 Jr.-Sr. Banquet a success.

On behalf of the senior class of 1981, the Footprints staff would like to dedicate this yearbook to Mr. Arthur Tuls.

UNDERCLASSEN

For four years we must attend high school. Each year holds its own highlights, disappointments and promises. No one of these years is unimportant. Without fulfilling the requirements of a freshman we cannot become a sophomore. Likewise, we must first be a sophomore before becoming a junior. These three years at Holland Christian High School are important building blocks for the future as well as eventful times to remember.

*Our final year in high school
has been a memorable one for us.
We have much to look back on
and remember with pleasure*

*We are also looking forward to
the future. We are at that time
when we must make many lifelong
decisions and we are thankful for
13 years of Christian education on
which to base our decisions.*

Footing To Victory

The 1980 soccer team used the slogan, "another one bites the dust," to help them successfully pull through their 12-8 record. Despite many injuries, they came through and gave it their best. Though the league seemed evenly matched, the Maroons ended in a tie for 2nd.

Post-season play again was the highlight of the season. The guys lost a close state quarter-final game by 1 goal.

In the West-Shore league Mike Miedema, Bob Nykamp, and Dave DeCook were awarded First Team Second Team was awarded to Chad Wiersma and Honorable Mention to Curt Tamminga and Kevin Ten Harmsel Mike Miedema was the top scorer on the team with 12 goals A special congratulations to Bob Nykamp for being selected to the A State Soccer Team

Future Kickers

The freshman soccer team had a good season. As with all freshman sports, it was a year of learning. They worked especially hard on fundamentals such as dribbling and passing. One skill that is not easily accomplished is teamwork. This takes a lot of time and hard work, but the team achieved this.

One of the team's most satisfying wins was their victory over Hudsonville. After having lost to them earlier in the season, the team felt really good about this.

Coach Heethuis was very satisfied with their record of 4-2-3. During the season he saw a lot of improvement and a lot of potential for future varsity soccer players.

Smashing Season

The Holland Christian Girls Tennis Team had a great year. Their final record was thirteen wins and one loss. They defeated both of our rivals, Holland High and West Ottawa. Their one loss was to Kalamazoo Hackett which was close. They participated in two invitational, the Spring Lake Invitational and the Holland Invitational. They received first place in both. They also captured the crown in the Spring Lake Class B Regionals, which qualified the team for the state tournament. In state competition they placed fourth. Congratulations!

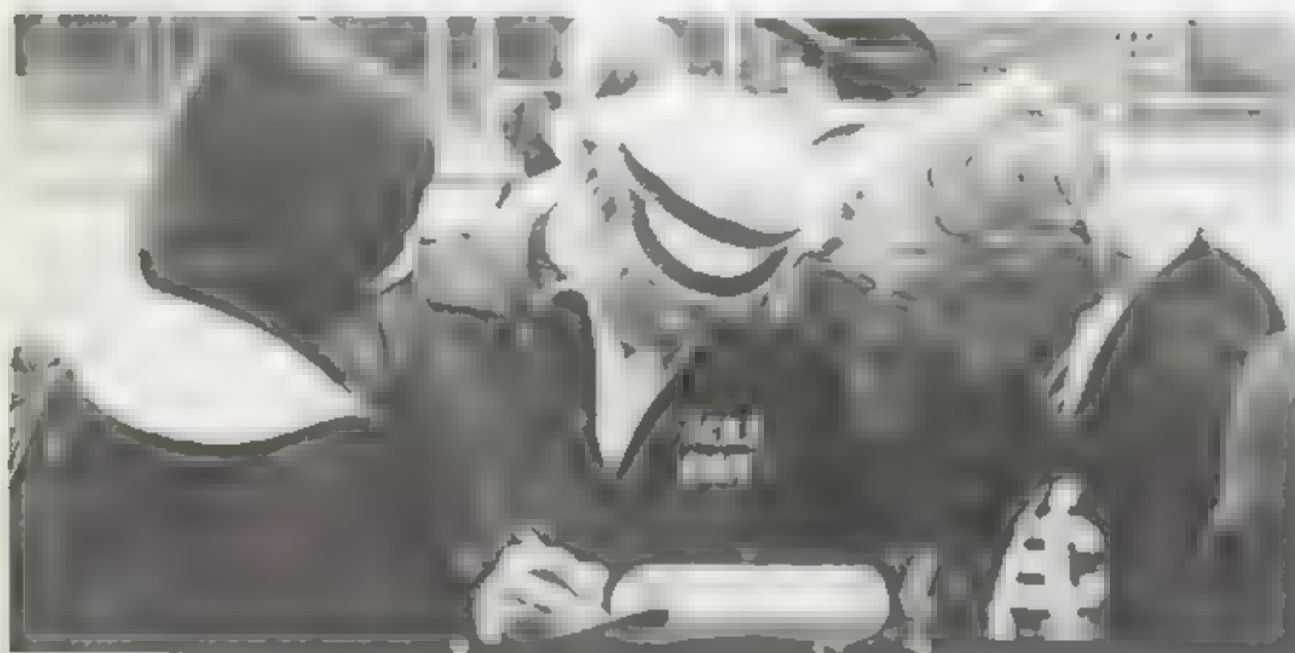

Leaving the team after four years of hard work were seniors Cindy Dykema, Laurie Hulst, Vicki Kempfers, and Brenda Vander Ploeg.

The Varsity Golf Team led by the three seniors finished an even par season at 9-9. Though struggling through the beginning of the season, the guys later became more consistent and their scores lowered much to Coach Tanis' approval. A high point of the season was a strong second place finish at the Christian Invitational. The team shot a fine score to finish in tenth place at regionals. Two strong wins at the Area Tourney over Holland High and Zeeland boosted their record to an even 500.

Graduating Seniors who will be sorely missed are four year golf team members led Mulder, Steve Spoelhof, and Jell Tanis.

The Junior Varsity team had a good season while picking up valuable match experience. Freshmen Kurt Dykema and Steve Johandes led the team to a good 6-3 record.

Coach Tanis was pleased with the golfers' effort throughout the season and is looking forward to next season when three lettermen will be returning.

Endurance

Running cross country has long been considered a man's sport because it is so strenuous. This year we changed that, for the first time we had girls on the team. There were twenty members on the team, five of whom were girls. They ended the season with a record of five wins and six losses. The five girls qualified for state competition by finishing second in regionals.

Led by Chad Kuipers, the team did well at their four invitationals. They placed fourth at the Zeeland Invitational and the Ottawa County Invitational. They placed sixth at the Fennville Invitational and at the Calvin College Invitational.

Out of twenty runners, only five seniors will be leaving. The seniors on the team were Tom Bosch, Scott Hop, Keith Katerink, Bryan Vanden Bosch, and Kjetil Vemov.

The Stroke Goes On

The 1980 girls swim team was fairly large this year with 27 girls. They were "rookies," including the coach. Coach Jane Schuteman came from Calvin College, and was a basketball player on the Calvin team, so it took a little getting "used to the water."

The girls were invited to two invitationals coming out 2nd in both. They also were involved in a conference at Muskegon this year, which they have never done before. They finished 4th over all. The coach was pleased about that. Coach Jane Schuteman was assisted by Cindy Dykstra, who was the diving coach. The girls enjoyed working with the coach and Cindy. The Tri-captains were Connie Arends, Dawn Mulder, and Kris Vanden Berg.

The record did not show the great effort exerted and the fun times they had together. Next year promises to be an even greater success.

Swimmers Break Even

Under the coaching of Mr. John Paul the boys swimming team finished the season even. Their record was 7-7.

The team participated in two invitational meets, one at Hudsonville and one at South Haven. They placed third at both.

The tri-captains for the team this year were Doug Busscher, Jim Kolean, and Jeff Tanis. The seniors on the team were Kurt De Jonge, Jeff Tanis, Doug Busscher, Dave Nonhof, Jeff Kolean, Dick Barkel, and Kjetil Vernoy, who was an exchange student from Norway.

Wrestlers Pin A Winning Season

The wrestling team consisted of 20 members and were under the direction of Coach Van Iddekinge and Coach Eggebeen. They finished their season with 10 wins and 5 losses. Two of their meets were cancelled because of bad weather.

The team participated in the Christian High School, Watervliet and South Haven Tournaments and placed second at all of them. They also placed fourth at Coopersville, third at West Ottawa and sixth at Hamilton tournaments.

Some outstanding wrestlers who brought their opponents to the mat were seniors Mark Scholten 25-12, Scott Hop 13-11, Walt Rietveld 21-9 and Juniors Pat Driscoll 23-12, and Merle Schreur 23-11. Mr. Van Iddekinge and Mr. Eggebeen congratulate all the members on the team.

With only four graduating seniors next year should be another winning season for the wrestlers.

Confidence

Confidence! That was the word for this year's volleyball team. They proved their confidence in themselves and their coaches by capturing the winner's trophy at the Calvin College Invitational. One of the highlights of the season and the Invitational was their decisive victory over Grand Rapids Christian.

The coaches for the season were Mrs. Lemmen and Miss Koning. This was Mrs. Lemmen's fifth year as Varsity Volleyball coach and Miss Koning's first.

The co-captains, Jill Branderhorst and Carole Van Beek, helped lead the other nine girls to a successful season. The seniors on the team were Sharon Boeve, Jill Branderhorst, Sandy DeVries, Jill Koernan, Julie Nienhuis, Carole Van Beek and Lisa Van Tubbergen.

Junior Spikers

The nickname for this year's Junior Varsity volleyball team was the Junior Spikers. However, this talented team proved this name inappropriate as they ended their season with a sensational record of 15-1. The team participated in the South Haven Invitational, brought home the first place trophy, and made this win the highlight of their season. First year Coach Goorhouse was very proud of his squad because each girl worked hard, and in turn, the whole team benefited from this dedication. The girls faced many tough teams this year, they beat Holland in a three game match, and played three line games against Unity Christian, even though they lost the match. Coach Goorhouse went on to say that he had a lot of fun working with the girls, and leading them to many exciting victories. With all this talent, next year's Varsity team looks very promising.

Lenger's Leapers

The Ninth Grade Basketball Team had a very successful season. They finished their year with a respectable 8-5 record. At the freshman level of high school athletics, it is important that the players still learn the fundamentals of basketball. All the guys worked hard to improve their skills. The highlight of the season was an exciting come from behind victory over Zeeland. Coach Lenger said that each team member worked and showed steady improvement throughout the season. He was impressed with their team play and consistently good attitude. He also commented, "We had a lot of fun."

Congratulations to the Freshman Basketball Team on their fine season and we look forward to when they bring their skills to the Junior Varsity Team.

Hustling Throughout the Year

The Holland Christian Junior Varsity Boys Basketball Team had an exciting season. The JV team was fun to watch as they had many close games which were decided in the closing minutes. The guys hustled throughout the year and improved as the season progressed. Coach Walcott worked hard with the team and commended their great effort and persistent competitive attitude, which paid off as they finished with five wins in the second half of their schedule. They closed out the season with a 7-11 record.

We look forward to next year when these ball players bring their fundamentals and quickness to the varsity level.

They Never Gave Up

The Holland Christian Boys' Varsity Basketball Team had a tough season this year. Although plagued with injuries and illness, the team continued to work hard and fight for all they were worth. Coach Tuls was very pleased with the effort put forth by the hard working guys both in games and in practices. The schedule was once again very difficult. Many of the games were close and very exciting and the outcome could have gone either way. The team was encouraged by the continual support shown and shouted by the loyal Holland Christian fans.

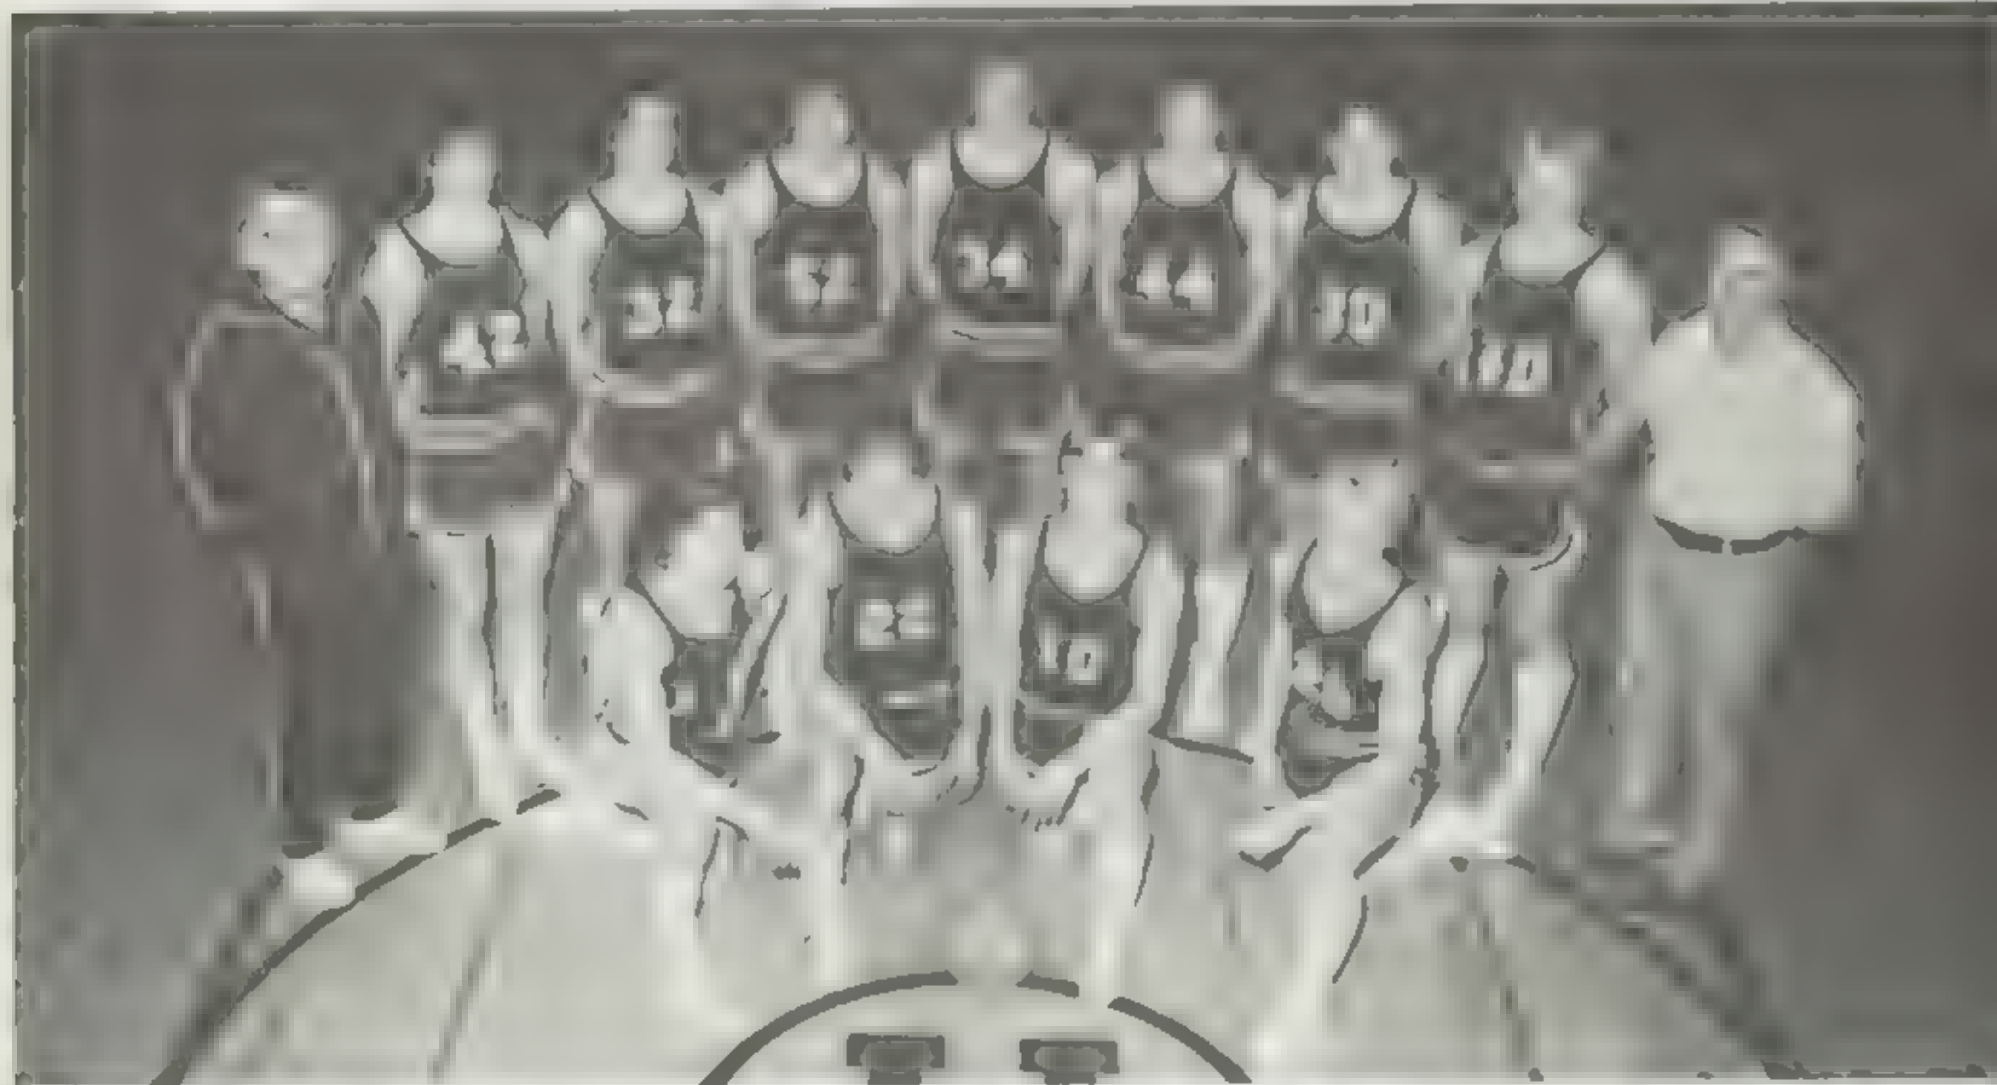

Graduating seniors who will be missed next year are Craig Brink, Bill Naber, Bob Nykamp, Keith Raterink, Curt Tamminga, and Duane Visser. We thank the guys for their time spent and energy exerted throughout their years at Holland Christian.

Intramurals Return

After a one year absence, the intramural team program returned. The guys involved had a great time. The competition was on occasion fierce and grueling, yet overall it was a lot of fun. The teams were evenly matched with the Who, Head, Dirty Dozen, and the Over-the-Hill Gang fighting it out for the coveted crown. Other teams who played hard were B.T.L., Sophomore's Best, Wolverines, and Chargers.

Mr. Smits and Mr. Van Iddekinge worked hard to make the program run smoothly. They introduced new events such as three-man volleyball, three-man basketball, and a HORSE tournament to supplement the standard sports of touch football, five-man basketball, volleyball, bowling, and ping pong.

The intramural program returned some excitement and fun to all guys involved.

We are all able to be part of the groups and organizations at Holland Christian. They allow us to use and develop our special talents and also give us the opportunity to make lifelong friendships while working and having fun with our fellow students. Our high school years are a time of activity!

Maroons Got Spirit

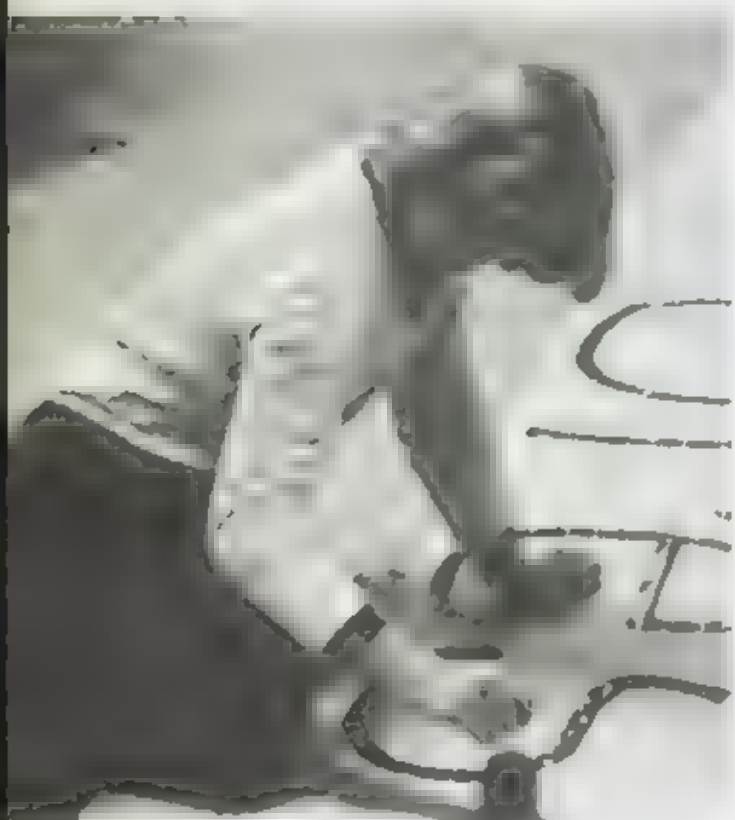

The Pep Club this year started something new. They added the juniors, sophomores, and freshmen to the club to arouse more spirit. The girls were very faithful in making cupcakes and signs, and cheering at the games.

Mrs. Blankespoer led the club. Next year she hopes to work out flash cards with the club. So if you've got spirit, the Pep Club has room for you.

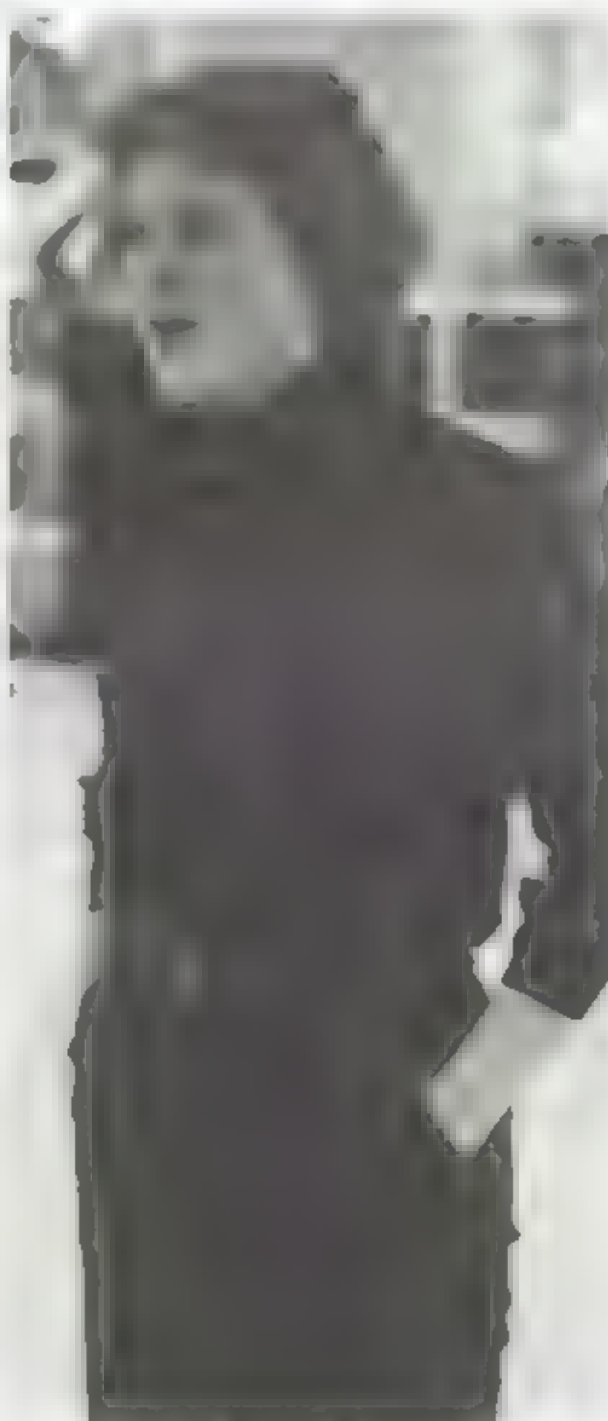

Thank you girls, let's keep up the good work!

Bars, Beams and Balance

As all clubs should be, the Gymnastics Club was fun for those who were in it. But, in addition to being fun, it was also a learning experience, giving them a chance to try out their new skills.

The Gymnastics Club met every Tuesday and Thursday, but many of the members were unable to attend all of these practices. Although there was no actual competition, the club did have an exhibition in which the elementary and middle school also performed. By having the exhibition, the members had a real reason for practicing and a goal to work towards. Miss Schuiteman was the coach for the first time this year. She did a good job coaching the club, and encouraged everyone to participate.

No Snow Stops Skiers

This past year was not a good one for the downhill ski club. There was not much snowfall and only fifty-four ski passes were sold. The passes were good for a couple of dollars off tow and all area passes on Thursday night at Cannonsburg. Cannonsburg does have its own snow-making machine, which helped get some people out on the slopes. Some of the members went skiing on the weekends trying to fit in more time on the runs. Mrs. King and Mr. Mathers were the sponsors for the past season.

Ski Club Grows

Nordic Ski Club started five years ago with less than ten members. This past year they had over one hundred with Mr. Larsen as the sponsor. The club tried to get out once a week, but because of little snow, they went out only five times. At the first meeting, to kick off the season, a film and the newest clothing and equipment were shown. Some places the club skied were at the Grand Haven golf course, the Hope College trails, the Correctional Facility State Park and the Hoffmaster State Park.

Busy Strings

The fifty-one members making up this year's orchestra had a very busy year.

Besides the festivals and worship services, the group also gave many special concerts. One concert which was a highlight of the year was the one given at the Ottawa Area Center. This was a time to show talents learned to those less fortunate. Other concerts the orchestra participated in were March Festival '81, the Tulip Time all city concert in May, and the all school orchestra concert in April. Concerts were also given at the Rose Park and Maplewood elementary schools.

This year the orchestra also participated in a new organization. This group is called the Holland Area Youth Symphony and is hoped to continue many years in the future.

A big thank-you for this year's fine season goes to Mr. Swierenga and the fifteen seniors who have given many hours to make this group a success.

Solo and Ensemble

Holland Christian High School vocalists showed their musical talent at the Solo and Ensemble festival held on January 24 at the University of Michigan. We were represented at districts in the categories of orchestra, piano and vocal competition. If the participants received a one rating, they had the chance to go on to state competition. Holland Christian was well represented at the districts, and at the state competition

They were held at Calvin College on February 7 for the 10th, 11th, and 12th graders, and on February 14 for the 9th graders. The band members worked hard in preparing for the event. Many hours were spent in practicing, working on interpretation, rhythm, technique, and the tone of their selection on which they were judged. Those who received a "1" rating qualified to go to the state festival held on March 28 at Central Michigan University in Kalamazoo.

Pep Band Has Spirit

The Pep Band this year was known for its spirit. They kept the morale of the school up, even though the season did not turn out as well as we had hoped. The Pep Band deserves thanks for a super job.

LOU 1963 AND 1964

Following their tradition of hard work, the Symphony Band participated in many activities. Among them were Grand Valley Band Day, Veterans Day Assembly, Presidential Campaign Concert, Christmas and spring concerts, Christmas chapel, solo and ensemble and the District Festival. And of course our band gives us a sense of pride in the Tulip Time and Memorial Day parades. It takes a lot of dedication to be in the band with the many rehearsals and early band. Much of the credit for the successful year goes to our dedicated band director, "Van". Band officers for the 1980-1981 year were Bob Nykamp, president; Fred Katerberg, vice-president; Cindy Van Den Berge, secretary; Brenda Brummel, librarian; and Jackie Prince, quartermaster.

The A Cappella Choir again was very busy with appointments to be met. They sang for the middle school and high school students, parents, and all who came to hear their concerts. Their first commitment was their fall concert on October 28. Following that was a matrigal dinner which was something new, exciting, and lots of fun. They performed a Christmas concert for family and friends and also for the Christmas assembly at school.

Starting the new year they were involved in a District Festival, a Calvin Festival, and a spring concert. Their piano players were Kathy Grevengoed, Lannette Zylman, Sheila Van Beek, and Amy Vanden Heuvel. As you see there were many things to work for and Mr. Ritsema was grateful for their fine cooperation and good attitudes. He commented that they were fast learners.

Madrigals In Demand

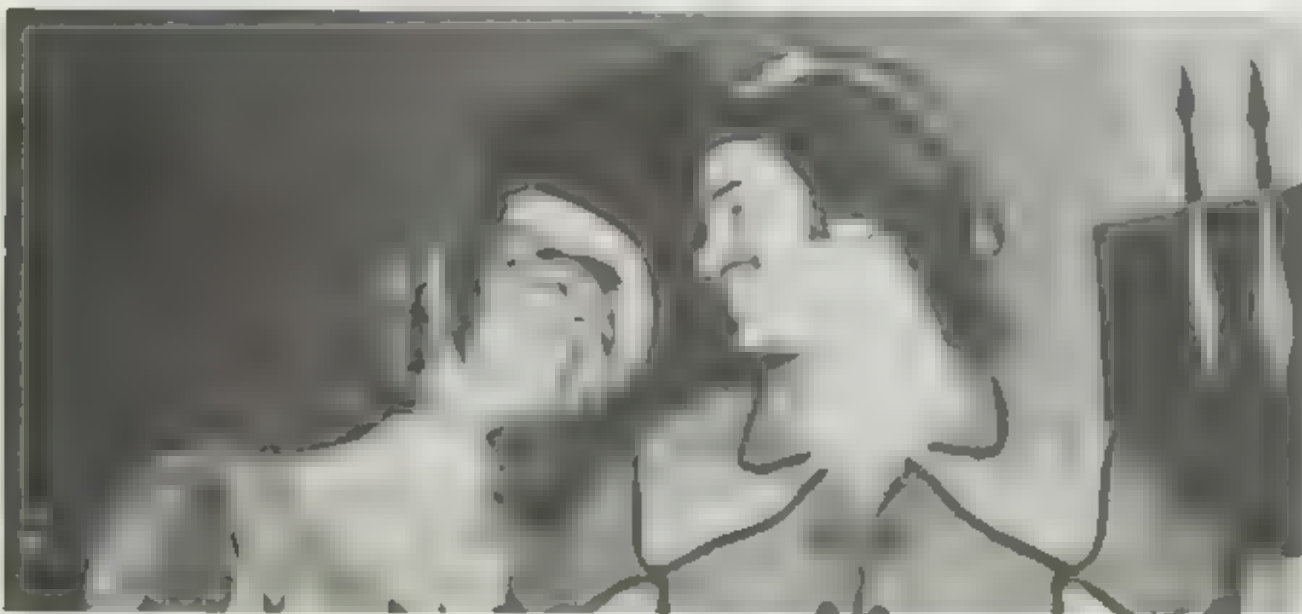

The Madrigal Ensemble was a group of sixteen kids with a lot of talent who practiced every Thursday after school. This year was especially exciting because they sang at the Madrigal Dinner which was held two nights in December and was a big success. It was very hard work, but the kids really enjoyed it. They sang sixteenth century songs, performed skits, and wore costumes of that time. Some other highlights of the year were the Solo and Ensemble Festival and the Christmas Concert. They also participated in many church services. In all, they made approximately 35 appearances.

Mr. Ritsema said that they were a highly motivated group and that he really enjoyed working with them. He said they have fun, but know when to work.

This year's members were Greg Potts, Lannette Zylman, Lori Hofman, Randy Wassink, Cheri Ritsema, Kurt Walters, Vonnie Lamar, Dale Bos, Sandee Sjaarda, Rick Kortman, Jim De Jong, Kathy Grevengoed, Cheryl Diepenhorst, Tony Peerbolt, Barb Knaack, and Tim Lamar.

Girls Work Hard

The Girls' Choir was a group of forty freshman and sophomore girls who worked very hard during the year. They performed three concerts this year, one in the fall, one in the spring, and one combined with the A Cappella Choir and the Middle School Choir. They also sang at the Easter Sunrise Service and participated in the District Choral Festival.

Three of the girls were selected to the Junior High Honors Choir. They were Kathryn Peerbolt, Nicki Tamminga, and Amy Vande Berg. Lois Dozeman, Kathryn Peerbolt, and Sue Timmer accompanied the choir this year.

Mr. Ritsema was very pleased with the performance of the girls. He commented that it was one of the better Girls' Choirs that he had directed since he had come to H.C.H.S.

Stratford — Cultural Skip Day

For 136 seniors, 445 came very early on September 12. After getting settled in our buses and waiting for a few late sleepers, we started on our way. We arrived in Stratford, Canada shortly before lunch. We were then free to eat sack lunches in the park with some friendly geese, eat lunch in various restaurants, or browse around downtown.

The theater, our real purpose for coming, was our next stop. The play we saw was *Twelfth Night*, a very entertaining comedy filled with mistaken identities and happy reunions. The character of Sir Andrew will probably be remembered longest because as Mr. Vander Ark says, "He was a real fruitloop!"

After the play we headed for Port Huron and supper. Then it was back on the buses again until we arrived home at 12:30 p.m.

We were all tired, but very glad that we had gone. It will be a trip long remembered for the fun with friends as well as for the play.

Student Council's capable leaders

As usual, Student Council had another busy year. The first project for Student Council was organizing a school party. J. C. Cornerstone performed because many students said they had really enjoyed them at the Young Calvinist Convention. For the first time, Student Council hosted a leadership supper. Students who held positions of leadership in school were invited to attend and listen to Reverend Lapinsky speak. Student Council chose Underground Evangelism, a Bible transporting organization for their Thanksgiving project. A lot of time went into planning Homecoming week. Many new activities were introduced and enjoyed by the students. Mr. Terpstra was the sponsor again this year. He deserves a special thanks for his work and the time he spends with Student Council.

The officers this year were: Mike Johnson, Pres.; Jill Koeman, Vice-Pres.; Julie Nienhuis, Secretary, Anne Boonstra, Treasurer.

An Unusual Week

This past year for homecoming, along with daily activities, there were two new ones, finding a 'thing' and voting for the cutest baby

Monday was tourist day with some students dressed as foreigners. In the gym during lunch there was an obstacle course. Tuesday people participated by wearing jeans, hats, glasses and buttons. At lunch we learned which class generated the most heat during the ice melt. Each class had a specific color to wear on Wednesday, and it was slave day. The girls obeyed the boys through 4-1 and the boys were slaves from 4-2 on. In the gym there were the innertube and the pyramid contests. Thursday was costume day, and we saw some strange sights. Friday, everybody tried dressing up which caused a problem for those who pigged out in the pie eating contest

The results of homecoming had seniors in first, then juniors, sophomores, and freshmen

A Year Of Excellence

This was the first year the Senior class had trouble getting some of the cards for the campaign. Even with the problems they encountered, this was the best year ever with the total sales about \$16,200 and over \$6,500 profit. Some of the profit will go towards senior skip day in May. Bob Nykamp was this year's campaign manager. He along with the homeroom captains, senior class and Mr. Huizinga's help put in a lot of effort selling and filling orders. Congratulations seniors and thanks.

Fun In Three Languages

This year the German, Latin and Spanish Clubs met on December 16 for the International Supper. Many different dishes were contributed by the students and a lot of them were eaten. After the meal, everyone attempted to sing Christmas songs from the other countries. Following that were three skits with German commercials in between. The Spanish Club gave their version of Little Red Riding Hood, the German Club acted out the problems of a Drivers Education instructor and the Latin Club finished off with the Frustrated Corpse.

Everyone really enjoyed the evening and was sorry when they had to stop laughing and go home.

Foreign Adventure

Last summer, Janna Eggebeen went to Norway as an exchange student. Some of the highlights of her summer were meeting the King of Norway, seeing the midnight sun, and cruising for two days on a huge ship.

Janna enjoyed the food, which included fish five days a week and shrimp and caviar. She also had the unique experience of learning how to handle poisonous jellyfish.

Janna enjoyed her experience in Norway very much and plans to return after graduating.

Far From Home

Kjetil (pronounced "Chet") came from Scandinavia to become part of the Senior class. At first, he had reservations about coming to a school so large, but when he got to know many of the students, he felt "more and more like a real American."

Kjetil especially liked being part of the cross-country team and the ski club at Holland Christian. The Senior Class trip to Stratford also impressed him very much.

Comparing America to Scandinavia, Kjetil thought that Holland was terribly flat! He missed the mountains of Scandinavia. Kjetil considered us lucky, however, because we have sandy beaches.

"American food is very good but so sweet and fattening," said Marta. She liked hamburgers and french fries which she had learned to enjoy at the McDonald's in Brazil.

One of her new experiences at Holland Christian High School was learning how to cross-country ski. Marta loves sports, and P.E. was her favorite class.

Marta Wright from Sao Paulo, Brazil.

Our other exchange student was Marta Wright from Sao Paulo, Brazil. She spoke Portuguese at her home in Brazil but had learned to speak both English and Spanish at the private school which she attended.

Kjetil Vermoy from Scandinavia.

Boys' State

Boys' State is a program that is set up by the American Legion Club. It is an imaginary 51st state. They go to experience and learn about responsible citizenship and to gain a better understanding of our government. Boys' State was held at Michigan State University. The boys chosen to go were approved by the American Legion Club. They are Bob Mulder, Jeff Tanis, Curt Tamminga, and Mark Van Hartsma.

Junior Rotarian

Every year the local chapter of Rotary in Holland selects eight boys from each high school and invites them to their meetings at the Elks Club. They listen to a program or speaker which generally deals with a current social problem. The eight seniors which were involved are Dave De Cook, Scott Hoekman, Mike Johnson, Bob Mulder, Rob Schreur, Steve Spoelhof, Jeff Tanis, and Mark Van Hartsma.

D.A.R.

The senior class of 1981 chose Jill Branderhorst as recipient of the year's D.A.R. Good Citizen Award. Each senior votes for a person based on his or her leadership, service, dependability, and patriotism. The Elizabeth Schuyler Hamilton Chapter of the Daughters of the American Revolution sponsors this award and gives each D.A.R. recipient a pin and certificate.

Jill is the daughter of Mr. and Mrs. Donald Branderhorst. Jill is the Footprints editor, co-captain of the varsity volleyball team and a member of the Senior Exhibition Dutch dance group.

Congratulations Jill!

Special Assemblies

This year we had several special assemblies. Special assemblies are put together by a special committee of teachers, who tried to find topics that would interest the students. We had many different types of assemblies for all of our different tastes. We had a folksinger, two comedians who performed a variety of skits, and a slide presentation and explanation of Mt. Saint Helen's eruption.

Van Reken's Aides

The library assistants were a group of students who were extremely helpful by giving up their study halls to assist Mr. Van Reken in the library. Their job was to take care of checking out books and other library materials, and putting them back on the shelves when they were returned. Thanks to them, the library was kept running smoothly.

Film Crew

The audio-visual aides donated their study halls just like the library assistants, but their job was a lot different. They were responsible for setting up movie projectors for teachers who needed them for their classes. They had to know how to fix the projectors when they broke down. Also, they helped with the sound system in chapel. Mr. Van Reken said that he really appreciated their help.

Mr. Van Reken and Karl Buursma check the equipment.

Debaters

The Debate Team, although small, had a very good season this year. Their overall record was 5-11. The topic for the season was: Resolved, that the Federal Government should initiate and enforce safety guarantees on consumer goods. The team competed in the Holland Area Debate League. Their coach, Mr. Van Reken, was pleased with his team's cooperation. He said it was a great learning experience, and that the debaters showed great potential. The debaters for 1980-81 were Dan Dykstra, Mark Van Hallsma, Jon Haveman, Dean Garvelink, Sandy Hop, and Rob Schreur.

Mini Government

Model United Nations is a mock government which is held annually at Hope College. Students were assigned to different nations, and represented themselves during sessions of the United Nations. Many local high schools were involved, as well as Holland Christian. It was a lot of fun for all those who participated, as well as a learning experience.

National Honor Society

At Holland Christian, National Honors Society is considered a honor. Members are chosen based on their leadership, Christian character, involvement in school, and in community activities.

This year, the society had a supper at

which the new members were inducted. Dr. Ten Hoor spoke on using your talents as a Christian to your best ability. The National Honors Society is growing at Holland Christian and expects to continue to prosper.

Echo Of Student Voices

This was the thirty-seventh year for our school paper, the **Echo**. The staff of about fifty students tried to cover all school events in such a way as to get the students in their newspaper by name, story and picture. Through controversial editorials and other articles, the student body was encouraged to get involved and state their point of view.

The Echo staff gave of their free time and put forth a lot of effort to keep us informed. Thanks!

Future Speakers

Forensic Club this year had eighteen members. This was a small turnout compared to other years. The members were under the direction of Mrs. Zoerhoff and Mrs. DeBoer. The members could choose from the following categories to compete in: Serious Interpretation, Humorous Interpretation, Radio Broadcasting, Impromptu Speaking, Extemporaneous Speaking, Original Oratory, Dramatic Duo, and Multiple Reading. The multiple reading consists of a group of three to eight people. The categories vary in length from five to fifteen minutes. The local competition this year was held on March 6. After local competition came Districts on April 1, Regionals, and State. Congratulations to all who did well.

Organists

The organists were an important part of chapel this year. They played for all of the songs we sang and a variety of postludes. Julie Raak and Bob Start deserve a special thanks.

Hidden Talents

Many talents were displayed through the *Scripta*. A variety of compositions were sent in such as poems, essays, short stories, artwork, and sketches. First and second places were awarded prizes. The winning entries, along with other selections, were printed in the *Scripta* for everyone to read.

There were many dedicated students who put forth much time and effort to make the Holland Christian literary magazine its best. Much credit, also, goes to Mark Van Haisma, senior editor, and Lisa Van Tubbergen, senior art editor. Mr. Jon Mulder was the *Scripta* sponsor.

There is always plenty of room for more entries. Try *Scripta* — you might find that special hidden talent.

Death

Dear Heavenly Father, I did pray
What's it like to die?
He answered back, in a solemn voice,
Child, I'll not lie

Death to you, because you're man
May seem a scary thing,
But die you'll not, before your time
because I am King

You shall go on, He said to me,
With all that I have planned,
And when you're done to me You'll come
To the promised land

Dear Heavenly Father, what's it like,
In that Holy place?
It is a place that has no pain,
Where you shall see my face

So you see, my child, it is not bad,
And some day you will die
Oh Heavenly Father, I can not wait,
I said with a big sigh

But I shall go on, and live for you,
For you have planned this day
I shall not worry 'bout death anymore
'Cause you will show the way

The Still Small Voice

It's late at night I lay awake I can feel
the cool, damp, fresh air from the sleep-
ing world outside brush across my face.
I can hear the breeze stirring the cur-
tains. The crickets and frogs in the
distance prove that the world isn't total-
ly dead

Everything seems vague and unclear
to me, and I would not be surprised to
find that it's just a dream. But if this is
just a dream there must be another life
for me somewhere What is that life
like?

I don't feel like I'm real or alive Only
my thoughts are alive I don't know
who I am or why I am. I only know my
thoughts. I feel like I'm in a void There's
nothing solid or sure or reliable here

I roll over This is scary

The crickets and frogs are silent. God
comes to me in a still small voice, "Be
still "

Feeling and Living

My misshapen heart
has been warped by time
dented by storms
of love
of hate
of indifference
It's been through battles —
always on defense —
always beaten —

so far

I won't quit
Not 'til I'm beaten completely
will I give up
When my misshapen heart becomes
different
then it will be my
broken heart

Only then will I quit
Only then will I give up — feeling
I'll give up living
and the misshapen pieces
of my broken heart

Though most would say that hot day's sun is best
The setting sun, to see its hues, does pull
The summer as its warmth to winter turns
The green of leaves does change to colors bright
Though many love the summer sun, which burns
The Autumn leaves to see are a delight
The faithful Christian soon, as all, must die
And in his eyes the joy of God's love shows
Though most will hold to life and death defy
But he will have eternal life he knows
So beauty fades, but just before it ends
It's truest beauty, we can see, God sends

To Kill A Mockingbird

This year, the Senior Class put on an excellent performance of *To Kill A Mockingbird*. The play is about a woman reminiscing about her childhood when her father, Atticus, defended a black man who was accused of a crime he did not commit. Atticus loses the case, but, he manages to ruin the prosecutor's reputation.

This was Mr. Mulder's first experience as director, and he did a super job. He put in many long hours of directing and encouraging. Anne Boonstra was the student director, and she also did a terrific job. It was her duty to see that everything ran well — and everything did!

The cast also had a wonderful time working together for 1½ hours every school day for three months.

Even though the cast members were the only ones whom we could see working, the committees also deserved much credit. Without them, the play would not have been complete.

Jean Louise Finch looks on as Scout questions Atticus.

In the trial scene Mr. Garner, the prosecutor, explains to the jurors why Tom Robinson is guilty

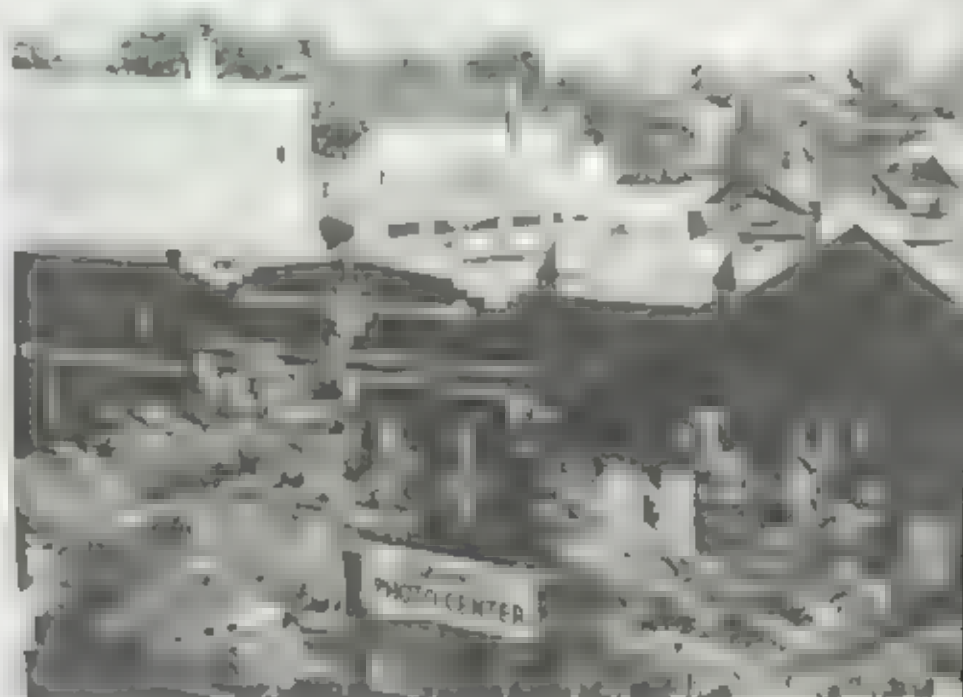

Mrs. Dubose angrily reproaches Scout at a point

Scout has stepped into the way of Mr. Atticus in the porch scene and he has

We, the 1980-1981 *Footprints* staff chose Ecclesiastes 3:1, the Senior class motto, as the theme for this edition of the yearbook. Often time slips by unnoticed, yet we realize that "for everything there is a season, and a time for every matter under heaven." We have attempted to capture some of the memories of the time we spent at Holland Christian High School by recording names, faces, and activities. In this past year, everyone filled the time given him with various activities, yet we realize that only what is done for Christ will last.

Many people spent a lot of time in putting together this edition of the *Footprints*. The members of this year's staff were Dan Altena, Connie Arends, Anne Boonstra, Jill Branderhorst, Brenda Brummel, Sandy Geurink, Vicki Kempekers, Mark Lubbers, Bob Mulder, Jed Mulder, Bob Nykamp, Dawn Ploeg, Mike Prins, Chen Ritsema, Steve Spoelhof, Kris Ten Harmsel, Dawn Tubergen, Cindy Van Den Berge, Lisa Vander Zwaag, Lisa Van Tubbergen, Lisa Voetberg, and Lisa Wesseling.

I would like to express my appreciation to the staff for the work they put in, to Bob Mulder for handling all of the business details, to Jeff Mass and Scott Hoekman for their photography, to Lisa Van Tubbergen for designing the cover, title page, and closing page, and to other members of the student body and faculty who assisted in putting together this book. I would especially like to thank Mr. Van Den Berge, our adviser, for all of his guidance and Mr. Talsma, our Taylor yearbook representative, for his time and his many helpful suggestions.

Like footprints in the sand, this book is an indication of the past, our past. By the footprints that we leave as we walk through life, others should be able to see that we are Christians, striving to follow in Christ's steps and to use the time that God has given us to serve Him.

I hope that you will always use your time to serve God, and may He richly bless you in your future.

Sincerely,

Jill Branderhorst

thamx for being a great friend this year. It's to bad we couldn't do to much together though. Next year will be better though, cause we'll both be able to drive. Good luck in Drivers Ed this summer! I know I'll need it. Knowing me, I won't pass. I'll be sure to watch out for you. Good luck with your new job this summer. I'll probably get stuck doing the blueberries again. Yuck! If there's a way I'll do something with you as often as I can this summer. I hope we'll always be super good friends. I hope you and Kew have fun this summer and stay together. You make such a cute couple! You've got to see James sometime. Me and him will probably never get together but its worth a try. Well, thamx again!!
